What is the 1095-C form?

The 1095-C form confirms an employee's health insurance coverage and is a crucial document the Affordable Care Act (ACA) requires. Many employees retain this document and provide it to their tax professionals annually.

Data Security Reminder

The UCPath Center will notify employees in January when electronic tax statements and forms become available. UC employees can access their 1095-C and W-2 statements directly through UCPath online using a secure and known link. UC does not send tax statements to employees via email or text, so please exercise caution and avoid opening attachments or clicking on links in unsolicited emails that claim to provide these documents.
