Volunteers Needed for Iowa FIRST® LEGO® League (FLL) Qualifier Event

Do you want to inspire Iowa youth in science, technology, engineering, and math? Celebrate their amazing learning experiences? Want to enjoy your Saturday with some grateful kids? We would like to invite you to join our volunteer team for our FIRST LEGO League (FLL) Qualifier Event on December 7 in Waterloo, Estherville, Webster City, Dubuque! No technical expertise is needed. The event is open to the public.

Teamwork makes the dream work - volunteers are what make these FLL events succeed. Many positions are available including judges, referees, timers, judge assistants, and more. You can help all day, just in the morning or just in the afternoon. There are a variety of volunteer positions, so you can help in the ways we plan to do that in the coming month.

Upcoming Conferences, Trainings, and Workshops

The Center for Industrial Research and Service (CIRAS) seeks to make Iowa better by educating its businesses about the latest research-proven methods and best practices of industry. Here are just a few of the events we are offering in January:

- **January 13th**
  - Writing Federal Proposals
  - Strategies to Increase RFP Win Rate
  - Capture Planning: Proven Strategies to Increase RFP Win Rate

- **January 15th**
  - Key Construction Clauses and Considerations in Federal Construction Contracts

- **January 16th**
  - Workshop

- **January 17th**
  - Inventory Management 101

Learn More about Volunteering!

For more information on volunteering for our FIRST® LEGO® League Qualifier Event or any other CIRAS event, please contact Leah Barton at lbarton@iastate.edu.

Learn the Secrets of "Writing Federal Proposals"

Learn how to write compelling federal proposals that get results. This workshop will empower you to start writing winning proposals that get your projects funded.

Capture Planning: Proven Strategies to Increase RFP Win Rate

Increase your win rate with proven capture strategies. Learn how to develop winning capture plans that result in more contracts awarded.
