**Volunteers Needed for Iowa FIRST® LEGO® League (FLL)**

October.

We would like to invite you to join our volunteer team for our FIRST LEGO League (FLL) Qualifier Event on December 7.

You can help! Teamwork makes the dream work - volunteers are what make these FLL events succeed. EVENTS are open to the public.

Do you want to inspire Iowa youth in science, technology, engineering, and math? Celebrate their amazing learning experiences? Want to enjoy your Saturday with some grateful kids? 

Learn the Secrets of "Writing Federal Proposals"

Assistant CIRAS Director

Lauren Barton

CIRAS Documenting a contract is an administrative and legal process that must be followed. For companies that are new to the government sector, it can sometimes can be overwhelming. Government contracting is a complicated and detailed process with many precise steps that must be followed. For companies that are new to the government sector, it can sometimes can be overwhelming. Government contracting is a complicated and detailed process with many precise steps that must be followed. For companies that are new to the government sector, it can sometimes can be overwhelming.

The Center for Industrial Research and Service (CIRAS) seeks to make Iowa better by educating its members of industry and small businesses on the basics of federal RFPs writing and planning to locate and retaining talent) requires strategy (finding, engaging, and grooming qualified job candidates. Internship can feed the talent pipeline for many small- to medium-sized manufacturers facing serious workforce gaps as their senior employees near retirement. But internship programs benefit not only the interns but also the employers.

**CIRAS Scanner Captures History of Mini-campanile’s Bells**

It is a bright summer day when Tin-Shi Tam climbs the steps inside Iowa State University’s iconic campanile to play her daily midday concert on the Stanton Memorial Carillon.

Up above, after she’s worked the carillon’s bells through a mix of tunes, Tam starts talking about the miniature version—a one-fifth scale model of the campanile that eventually would be unveiled to the public in November:
