A NOTE FROM THE PRESIDENT

Greetings.

My two main areas of focus for LSU are stability and increased success. By working together to build upon the momentum of the last couple of years, stakeholder expectations can be achieved.

Stability can be achieved in a number of ways, and the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels. Having spent more than 15 years at LSU over two stints, it is clear that the university is achieving academic success on many levels.
