March update
KEEPING YOU IN TOUCH

SPRING BREAK TRAVEL:

Over the past month, I have been traveling to Washington, D.C., and Dallas, and during my travels I have met with community leaders, from Shreveport and Alexandria to Lafayette. I have had a chance to discuss LSU's accomplishments with them and their suggestions for our university, I am better for it is right now. In short, our flagship university is in a good place. We are in a stable place right now. Our funding situation is improving, with our Fall 2020 enrollment up, and I am confident we will continue this positive trend. I have worked hard to make sure we are on the right track.
