March Update
Keeping You in Touch

A Note From The President

Dear Students, Parents, and Alumni,

The start of the second semester brought with it great opportunities for growth and development. As we reflect on the past few months, I am reminded of the importance of community and the impact it has on personal and academic success. This semester, we have seen our students actively engaged in various programs and initiatives designed to foster leadership, collaboration, and innovation. The LSU Community is thriving, and the future looks bright.

March is a month of celebration and reflection, offering us the chance to honor accomplishments and to set new goals for the year ahead. The March TigerCASH Lagniappe is a reminder of the financial support provided to our students, ensuring they have the means to continue their education. The LSU Parent & Family Programs are committed to supporting our students and their families, with a special shout out to the March Family Raffle winners.

One key to our success is the continued growth and development of our student leaders. The LSU Student Leadership Team is traveling across the state to engage with our students and to build upon the strong foundation they have established. Their efforts are a testament to the dedication and passion that drives our LSU community.

The LSU Spring Break Holiday Shuttle - Registration is Open! offers an easy way for students to travel during their break, providing a convenient and accessible option for those planning to leave campus.

The Signature Series: Geaux for the Gold (March 10/11) highlights the importance of interdisciplinary collaboration and the role it plays in shaping our future leaders. This event is an opportunity for students to explore different learning environments and to engage with professionals from various fields.

The Class of 2020 Senior Gift Campaign features the LSU Student Union's annual T-shirt design contest. The competition is open to all students, and the winning design will be featured on the t-shirt sold during the campaign. This is a great way for students to express their creativity and to support their fellow classmates.

Please be aware that the 2020 Census affects your household count. By participating in the census, you can ensure that your community receives the resources it needs. It is important to complete the census by April 1, 2020.

Thank you for your continued support and commitment to LSU. Together, we can continue to build upon the legacy of excellence that defines our university.

Sincerely,

Geaux Tigers!

Mike Malone
President
