March update
KEEPING YOU IN TOUCH

SPRING BREAK DROUGH STUDE

A NOTE FROM THE PRESIDENT

Dear parents and guardians,

As we begin the spring semester, I want to take a moment to thank you for your support of your students and for being a partner with LSU in their education. Your encouragement and guidance are invaluable to our students as they navigate the challenges and opportunities of college life.

We are proud of the progress we have made at LSU over the past year. Despite the significant challenges posed by the COVID-19 pandemic, we have worked hard to provide a safe and healthy learning environment for our students. We have also continued to invest in our campus infrastructure and facilities, which will benefit our students and the Baton Rouge community for years to come.

One of our top priorities at LSU is to provide comprehensive support to our students. Our student support services, including academic advising, career counseling, and wellness programs, are designed to help students succeed academically and personally. We are committed to ensuring that every student has the resources they need to achieve their goals.

We are also focused on preparing our students for success after graduation. Our career services provide opportunities for students to explore their interests and develop the skills they need to succeed in the workforce. We are proud of our alumni network, which provides a valuable resource for our students as they transition to new careers.

Thank you for your partnership in supporting our students. Together, we can ensure that LSU is a place where students can pursue their passions, learn, and grow. I look forward to continuing our collaboration as we work towards our shared goals.

Sincerely,

[Signature]

[Position]

P.S. If you have any questions or concerns, please don't hesitate to contact us. We are here to support you and your students.
