March Update 2020

Dear Parents and Guardians,

Progress we've made in recent years, we can elevate LSU importance to our families to hold the line on tuition and fees. I am committed to providing a high-quality education at an affordable cost. This requires a strong financial plan and a focus on efficiency and effectiveness.

My two main areas of focus for LSU are stability and success. By working together, we can ensure that LSU remains a leader in education, research, and service to the community.

With our continued commitment to faculty and the student body has never been stronger than the past year and a half. We have hired more than 300 new faculty members, providing our students with access to the latest research and teaching methods.
