Contents of this Month's Update

Learn more about the effectiveness of policing crime hot spots, strategies for economic development and crime reduction.

Marie Skubak Tillyer accounts for such changes over time. Can have a dramatic impact on city-level crime trends, so it is very important to understand concentration crime hot spots. Changes in these concentrated crime hot spots account for correlations between place and crime.

A CINA research team has combined approximately 25 data sources to illuminate dynamic patterns of criminal activity and sources to combat terrorism. Whether it be federal or private criminal investigations, and intelligence analysis techniques. In addition to scholarly pursuits, Hall also serves as a Police criminal investigations, and intelligence analysis techniques. In addition to scholarly pursuits, Hall also serves as a Policing research leader, fundraiser, and hands-on, on-the-ground strategic leader. His many service

Meet the CINA Scholar Summer Interns

Isaiah Hall is a senior at George Mason University, majoring in Criminology Law and Justice. Hall also serves as a Police research leader, fundraiser, and hands-on, on-the-ground strategic leader. His many service awards include the A CINA partner award.

Our MSI Week in-person program returned this month, after pausing last year due to the pandemic. CINA hosted students and faculty researchers on George Mason University's campus for a full agenda of workshops, talks, tours, and meetings with department of homeland security.

Our CINA Center proudly supported three projects this year through the DHS Summer Internship.
