## Welcome Letter

Dear Tufts Community,

As classes begin and we adjust to new ways of being community and new ways of engaging in the sacred work of teaching and learning, I want you to know that we at the University Chaplaincy are here to accompany you. The return to campus likely brings a full range of feelings and responses. If, like me, your anticipation is intermingled with apprehension, I offer you a poem that has often brought me solace in unsettled times.

### **The Peace of Wild Things**

When despair for the world grows in me

And I wake in the night at the least sound in fear of what my life and my children's lives may be,

I go and lie down where the wood drake

Rests in his beauty on the water, and the great heron feeds.

I come into the peace of wild things

Who do not tax their lives with forethought  
Of grief. I come into the presence of still water.  
And I feel above me the day-blind stars  
Waiting with their light. For a time  
I rest in the grace of the world, and am free.  
- Wendell Berry

In our inaugural fall 2020 edition of the University Chaplaincy ENews we are pleased to share announcements about two wonderful new staff members who have joined our chaplaincy team over the summer. In addition, we are anticipating the arrival of the new permanent University Chaplain on October 1. If you missed the notice about her appointment, you can [read about Reverend Elyse Nelson Winger here](#).

Whatever your experience of returning this week, this month, in person or virtually, we hope you will reach out and let us know how we can best support you.

Warmly,  
Jenny Peace

## Introducing our new Hindu Advisor and Africana Spirituality Advisor

We are pleased to share the news that Preeta Banerjee, Ph.D. and Azmera Hammouri-Davis, M.T.S. have joined the University Chaplaincy Team.

Preeta has joined the Tufts University Chaplaincy as the first ever Hindu Advisor. As Hindu Advisor, Preeta will work in partnership with the Hindu Students Council (HSC) to provide opportunities for nourishing the mind, body, spirit and soul. She is committed to educating the campus at large about Hinduism and connecting the Hindu community to the rest of the campus. Preeta says, "I am honored to be the first Hindu advisor at Tufts and look forward to connecting to the Tufts community in spiritual care from a Hindu lens. I bring to this work a broad and deep range of experience, having spent over twenty years in academia, coaching, and consulting as an advocate, educator, and researcher at the intersection of spirituality, sustainable business, and innovation. I look forward to working with the Hindu Student Council and am available to anyone curious about learning more regarding Hinduism across the spectrum of philosophy, spirituality, religion, and practice."

As Africana Spirituality Advisor, Azmera will work in a partnership with the University Chaplaincy and the Africana Center to provide opportunities for students to deepen their curiosity, and nourish their critical reflection around spiritual cultivation. Azmera received her Master's of Theological Studies from Harvard Divinity School, is a scholar-practitioner of the Afro-Brazilian martial art of Capoeira, and has worked at the intersection of arts education, innovation, and social justice for nearly a decade. Operating at the nexus of spirituality, creativity, and transformative justice, she is committed to cultivating and sustaining lasting bonds that center interfaith dialogue for liberation and justice among the Afro-diasporic community. Azmera says "I am eager to learn alongside, grow and guide students curious about meaning-making across the spectrum of African spirituality and its myriad forms of expression. I bring to this space a deep commitment to passion and compassion for the imperfect, the flawed, the

Several of our chaplains have contributed to the program offering a diverse array of spiritual practices, including nature walks, meditation exercises, listening to music, deep reading—of poetry, art, the world, our lives and one another. Participating students are paired in dyads and commit to spending an hour together each week, as well as another half hour in private reflection. Contact Catholic Chaplain [Lynn Cooper](#) if you are interested or have any questions; there is no deadline to apply by.
