March 2025

Dear Colleague,

This is our last Europe-only newsletter. Why? Because we've got new clients in Asia! Fez Travel in Türkiye is already onboard and Walker Tours in Sri Lanka joins our portfolio starting next month. So it just makes sense for us to combine Europe and Asia into a single newsletter.

And why include Yadi Tours of Morocco in a Europe-Asia newsletter? Because so many people are adding the awesome North African nation as a side trip to visiting Spain or Portugal.

Meanwhile, so much is happening with our other tourism partners. After a short hiatus, we're back with Porto + the North (Portugal) and are coordinating a June roadshow for Trentino (Italy).

How well do you know Istanbul? Take a look at our Fez Travel blog below to test your knowledge. Spring is coming to Malta — learn about the reasons that season is a great time to visit the Mediterranean island nation.

As always, please let us know how we can help you sell these fabulous destinations.

Jane, Ana, Jenna & Paula

How Well Do You Know Istanbul?

Probably not as well as you think. On the other hand, Fez Travel has been revealing the best of the awesome Turkish metropolis for nearly two decades. And they offer numerous ways to explore Istanbul.

Like their Mini Stay Istanbul, a four-day, three-night itinerary that includes iconic sights like the Blue Mosque, Grand Bazaar, Hippodrome, Hagia Sophia and Topkapi Palace, as well as the full-day cruise on the legendary Bosphorus waterway.

Spring Into Malta

April, May and June are among the best months to visit the Mediterranean archipelago in terms of great weather and outstanding events.

Here's what various people have to say about Spring season in the islands:

Visit Malta:

"Whilst there's never a bad time to visit Malta, April, May and June offer warm weather without it being too hot.

The Sounds of Morocco

In the heart of Morocco, music is a living art form that narrates stories from the past. Yadi Tours creates harmonious itineraries that embrace genres that reflect musical influence from Africa, the Middle East and Iberia.

Begin with the heartfelt strumming of the Oud, an instrument that seems to carry the weight of the centuries on its strings.
