A VOTE FROM THE PRESIDENT

Dear Family,

Congratulations to our new student leaders! The LSU student government is a reflection of the diverse voices of our campus community, and I am encouraged by the continued engagement of our students in the governance of the University.

This month, I am proud to announce the launch of the LSU Shield App. The app is a modern, secure and easy-to-use tool designed to empower our students, faculty, and staff to communicate with law enforcement and other campus departments in an efficient manner. It will provide an additional layer of support for our campus community, ensuring that they have immediate access to essential resources and support in times of need.

I am grateful for the dedication and commitment of our student leaders and encourage all members of our community to use the LSU Shield App to stay informed and connected with the University.

Sincerely,
F. King Alexander
President
