A VOTE FROM THE PRESIDENT

Dear Students,

I hope this message finds you well and excited to begin another semester at LSU. As we kick off the month of February, I wanted to take a moment to reflect on the important role that you play in our university's success.

Your contributions to the LSU community are evident in the countless ways you engage with your peers, faculty, and staff. Whether it's through your participation in student organizations, your dedication to academic excellence, or your commitment to community service, you are the heart and soul of our university. Thank you for being a part of the LSU family.

In this month's newsletter, we have a number of campus highlights that we hope will pique your interest. From special events and workshops to opportunities for growth and development, there's something for everyone. We encourage you to explore and get involved in activities that align with your passions and goals.

As we approach the end of the semester, please remember to take care of yourself and one another. Whether it's attending to your mental health needs or working together to create a safe and inclusive environment, your well-being is a top priority for us. Please reach out to the Counseling Center if you need any support.

Thank you for all that you do. I look forward to seeing you in the classroom and on campus.

Sincerely,

[Name]
Manager, Parent & Family Programs
