RESEARCH & DISCOVERY

Mason scientists receive $1.2M grant

Congratulations to Kerin Hilker-Balkissoon, Assistant Professor in the Department of Atmospheric, Oceanic and Earth Sciences, and Tina Bell, Professor in the Department of Atmospheric, Oceanic and Earth Sciences. These two faculty members have been published in Atmospheric Chemistry and Physics and are among the recipients of a $1.2M grant from the National Science Foundation. Read their full story.

WHO'S WHO AT MASON

NSF Seeks Recommendations for Advisory Committees: The National Science Foundation (NSF) is soliciting recommendations for membership on its scientific and technical federal advisory committees. Visit the website to learn more and refer to the email for the meeting password.
