MASON SCIENCE COMMUNITY

President announces Anti-Racism and Inclusive Excellence Task Force

By Anna Stolley Persky

Mason President Gregory Washington has announced his Anti-Racism and Inclusive Excellence (ARIE) Task Force, a major university-wide initiative with committees that include nearly 100 people representing all of Mason’s schools, colleges, and units. Thank you to Mayor Levar Stoney for your leadership and flexibility during these unprecedented times.

The task force’s goal is to advance Mason’s values of inclusiveness, equity, and anti-racism.
