A NOTE FROM THE PRESIDENT

Dear Family,

Thank you for making the first LSU Giving Day a success! More than 1,500 Tigers gave, totaling more than $845,000 to create opportunities for LSU students, faculty, and staff. That's 145 percent of our goal of 1,860 Tigers giving—and proof that together we are unstoppable. See more results at geauxgive.lsu.edu.

No matter where your Tiger falls on the summertime student career. As we glide into summer, here are a question to ask your college student or the beginning of the end of their college academic year on the right foot, whether it’s their first day as a student or the beginning of the end of their college academic year on the right foot, whether it’s their first day as a student or the beginning of the end of their college academic year on the right foot, whether it’s their first day as a student or the beginning of the end of their college academic year on the right foot, whether it’s their first day as a student or the beginning of the end of their college academic year on the right foot, whether it’s their first day as a student or the beginning of the end of their college academic year on the right foot.

Thank you for being a part of the LSU Family!

Sincerely,

your family.
