MASON SCIENCE COMMUNITY

ESF PYS alumna Morgan Hunter profiles Founding Professor at Mason, if you've missed her before. Morgan Hunter, a 2018 graduate of Mason's Environmental Science and Policy program, will host a town hall with Mason's first EOF Commonwealth Professor, Elizabeth Grisham, on Thursday, October 1, 2020, at 10 a.m. The town hall will provide an opportunity for Hunter to reflect on her experiences as a Mason student and share her personal journey with the Mason community.

The Institutes for Sustainable Earth (ISE) seeks applications for an additional two-year ESF PYS fellowship. The fellowship supports research in ISE's five core research areas, which include environmental science, sustainability, and social sciences. Applications are due by October 16, 2020.

The Institute for a Sustainable Earth (ISE) is now accepting applications for the annual Fenwick Fellow award for 2020-21. The fellowship supports research in ISE's five core research areas, which include environmental science, sustainability, and social sciences. Applications are due by October 16, 2020.
