MASON SCIENCE COMMUNITY

The Institute for a Sustainable Earth (ISE) seeks applications for the 3rd annual Fenwick Fellow award for 2020-21. The ISE is a transdisciplinary center in the Department of Environmental Science and Policy (ESP) that supports faculty pursuing a research project that advances knowledge in their fields. Fellows will have the opportunity to work closely with the faculty fellows program, transdisciplinary communities of research and practice, and contribute to the strategic development of ISE. Applications are due by October 16, 2020.

Dean, Provost highlight Mason's efforts during FAIRFAX CAMPUS VISIT

Virginia Governor Ralph Northam praised George Mason University for keeping its coronavirus numbers low during a visit to the Fairfax campus on Tuesday, September 22, 2020 where he announced a new state plan to ramp up testing in public schools. Mason has a 0.3% positivity rate and has kept its numbers low despite an upsurge in statewide cases.
