The mission of the SALC is to sponsor, plan, and coordinate events and programs for prospective, admitted, and current students in order to develop awareness of the University of Maryland and its various programs. Through our events and programs, we aim to engage students and their organizations. SORC is a department at Stamp dedicated to providing your organization with services, resources, and spaces to set up your organization for success.

Participate in a student-led, student-run team, organization, or chapter that engages in fundraising, service, advocacy, social entrepreneurship, or other activities to create social impact.
