Pepsi Enhancement Funds for Spring 2019

Each semester the Review Committee for the Pepsi Enhancement Fund send out a call for proposals for program funding. At this time, I would like to encourage you to submit proposals for Spring 2019 term. The programs and events must occur during January 28 - May 14, 2019.

A \$50,000 fund, generously provided by PepsiCo, will be used to underwrite the cost of programs that broadly affect the campus population. For Fall 2018, we received 92 proposals, and we were able to award 49 grants. Some of the programs receiving funding include Welcome to the BIG Show, VSA Lunar Lanterns, CSA Fall Semester Caribbean Week, UMD Homecoming Community Service Event, and Grad Student Kickoff.

Each of the proposals will be measured by the following criteria:

1. Will the event/program contribute to the creation of campus community?
2. Will the event/program appeal to a wide audience of campus citizens?
3. Will the event/program contribute to the advancement of the academic mission of the University?
4. Will the event/program enhance the co-curriculum, enlarging opportunities for leadership, cultural and social exchange, and service to the University and broader community?

I invite you to submit a proposal online at <https://stampunion.umd.edu/pepsi/> **prior to 5:00 p.m. Thursday, October 11, 2018**. All proposals must be completed online and a response is required to all of the questions detailed on the form. The Pepsi Review Committee will review all proposals by the end of October. Departments and organizations receiving funds will be notified following the Review Committee meeting and the funds will be available at the start of the spring semester. Please note, in order to accommodate the greatest number of groups in our funding process, a sponsoring organization may not submit more than two (2) proposals per semester.

Thank you, in advance, for submitting your proposal for Pepsi Enhancement Funds. Should you have any questions, please contact me at dylim@umd.edu or at 301-314-8491.

SORC is powered by OrgSync

OrgSync Tip of the Week- Files

We always tell students that OrgSync is a combination of Facebook and Google Drive. When you log into OrgSync, you immediately see a "News Feed" from organizations that you follow. The Google Drive part ties in with the "Files" section in every organization's OrgSync portal.

In the files section of your portal, you can store folders, files, and pictures, organize them whatever way you want, and "share" with whatever members you want.

So, why OrgSync and not Google Drive? By uploading your organization's files on OrgSync, you will always have a backup plan in case a password gets lost or a past officer doesn't turn over files to new officers. SORC staff members have administrative access to your portal and will always be able to give file access to the appropriate members of your organization.

...and **that** is the word on the OrgSync tip of the week!
