Some of the programs receiving funding include the DO GOOD MINI GRANT, which provides funding for student organizations to support social change, fundraising, service, advocacy, social entrepreneurship, or other activities to create social impact. Each semester the Review Committee for the Pepsi Enhancement Fund send out a call for proposals. The Review Committee will consider proposals that broadly affect the campus population. 1. Will the event/program contribute to the creation of campus community?
2. Will the event/program enhance the co-curriculum, enlarging opportunities for leadership, community engagement, and service?
3. Will the event/program support student success through academic, personal, social, or professional growth?
