**Oracle Inquiry Role Update**
As an update to the basic Oracle access granted in recent weeks, we will begin
granting a new level of access to selected individuals. This new level of access
will automatically reject any request made after 120 days past the period of the
project or fulfill the closeout requirements at the end of the project period.

**Reminders of NIH Policies Related to Closeout**
If a revision on the final Federal Financial Report is necessary:
- The Authorized Organizational Representative must notify the Grants
  Administration Office. This must be done within the timeframes that
  ensure compliance with NIH regulations.
- Extensions are needed, please contact your OCGA Officer for specific
  guidance.
- The notification must indicate why the revision is necessary and describe
  the action being taken by the recipient to preclude similar situations in
  the future.

**Grants Administration closely, submitting required documents 30-90 days
before the project end date, to ensure that NCEs are obtained in a timely
manner.**
