The new workflow will be implemented as of Monday, 10/11/2021. New Workflow: Cost Transfer Billable Status Change Autoreject

Why can't I change the Billable status?

What if I have a "stuck" billable transfer now?

How do I know if my cost is billable or not?

2. Status change of to/from

1. Transaction number(s) that you would like changed

3. Reason for status change request (i.e. to be able to transfer for cost sharing cost transfer)

Correction:

The Incorrect CBR Rate Has Been Applied?

Summer Salary rate; no precedence is given to the Primary Job.
