Information system and support departments’ success in managing their fiscal responsibilities.

When the User pays with their Travel & Entertainment (T&E) Card, the proper payment method is the T&E Card. When searching for a Department Head or Special Entertainment approver, the approver can be a non-employee student or a non-employee employee. If the individual to be reimbursed/paid is a non-employee student, then select Student as the Payee Type. If the host paid out of pocket and/or with their Travel & Entertainment (T&E) Card, select T/E Supplier as the Payee Type. If the host paid with a bank card or other method, then select as the Payee Type.

About the Weekly Digest

Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense, are delivered to your inbox. Our goal is to deliver timely information that is impactful to the Financials community and offers actionable insights that can improve financial processes and results.

Oracle Financials Cloud

Oracle Financials Cloud is a financial management platform that integrates with existing Oracle applications and provides financial organizations with the flexibility to manage their financial processes in a cloud-based environment. It offers capabilities such as general ledger, accounts payable, accounts receivable, and financial reporting.

About Concur

Concur is an expense management and travel booking platform that helps organizations manage their travel and expenses. It offers features such as expense reporting, travel booking, and travel reconciliation.

About Oracle Financials Cloud and Concur

Oracle Financials Cloud and Concur are integrated solutions that provide a seamless experience for managing financial processes. They help organizations streamline their financial processes, reduce costs, and improve efficiency.

About the Financials Community

The Financials community is a group of financial professionals who share knowledge, best practices, and ideas related to financial management. They are connected through various channels such as online forums, webinars, and social media groups.

About the Weekly Digest

The Weekly Digest is a newsletter that provides updates and insights related to financial management. It is delivered to your inbox every Tuesday and provides important updates related to financial processes and results.

For more information, please visit the Oracle Financials Cloud and Concur websites or contact your Oracle representative.
