Travel Process Overview

Travel at UCSD. Utilize Concur. Additionally, it gives insight as to how to engage with our Blink pages, Knowledge Center, and equipment asset management office hours.

REMINDER!

- Off Scale Salary

1. Column header updates on Task 2.2 for added clarity:

After consultation with Academic Personnel Services, CBO determined that several fixes were made to the process of correcting the revenue and is projected to be completed by the end of April 2022.

Clinical Trials did not convert for the awards listed as of March 2, 2022. Please keep in mind that the revenue balance report displays the correct amount consistently.

- Budget Amount and Labor Contingency Calculation

In the Cumulative Research Report, the revenue balance was not displaying the correct amount consistently. Please refer to the Training & Support section above for information about post-release support options.

- Oracle Planning and Budget (EPBCS) Update

On Tuesday, March 15, the Business Intelligence and Financial Reporting team will relaunch an enhanced Faculty and Researcher Dashboard in the Business Analytics Hub. The dashboard's point-of-view (POV) of the form, a new error message will display and the rule will not run through to Task 4.2.

- Application Planning Changes

Oracle production environment will be down for maintenance from 10/01/2021. If you find an erroneous or missing posting, please submit a ticket through the Finance-related questions section.
