Logistics Portal Enhancement – POETAF Validation

Oracle production environment will be down for maintenance on Friday, October 14, 2022.

Oracle Cloud Scheduled Maintenance

Tips & Tricks

Tuesdays 9:30am - 10:00am

Thursday, October 13, 2022

American Airlines will share information on the benefits UC travelers receive, their global network, the AAdvantage Loyalty program, and how to best utilize your status. For more information, visit auckland.aal.com.

This week we will have open Q&A. Bring your questions and struggles. Nothing a fund manager does is off the table.

Every Thursday in Internal Controls Blink page

Join the Internal Controls Office Hours to ask questions regarding the internal controls guidance posted on the Intranet. You can choose to watch recorded office hours and more on our YouTube page.

For the Logistics Request Form, available within the Logistics Portal, now has built-in POETAF validation. The enhancement eliminates accounting errors that may occur if a requester skips the POETAF validation step or provides an invalid POETAF string. The link to the external POETAF checker has been removed from the Logistics Request Form as it is no longer required.

The Logistics Request Form - POETAF Validator

The email will contain a verification code specific to this email address. Copy the verification code.
