**IPPS Advisory Committee Applications Open**
Starting today, we are opening up our IPPS Advisory Committee (IAC) to evaluate membership for the next fiscal year. This committee, attended by several IPPS representatives including our Directors of Procurement and Disbursements/Travel, was originally established to work through ESR changes, enhancements and roadblocks. The committee meets every other Friday, 11:00 AM - 11:45 AM. IPPS uses this time for:

- Working through enhancement ideas
- Discussing problems or roadblocks we're experiencing and potential solutions
- Previewing upcoming developments before they're launched
- Reviewing complicated situations surfaced by IAC members which we either work out in the moment or follow-up with resolution after the meeting.

Membership in the IAC is a year-long tenure where members are asked to actively engage in discussions, bring a positive solution-oriented attitude, and participate in posting in the Teams Community of Practice. Posts would include tips and tricks, articles, and Blink pages. Occasionally, you might join focus groups or be asked to help us with escalated client issues that we're having difficulty navigating. If you have interest in being a part of this committee, please fill out our IPPS Advisory Committee interest form by 7/14.

**AP & Concur Accruals or Fiscal Close**

If you missed the recent Fiscal Close Bulletins, take a look at the AP & Concur Accruals for Fiscal Close Blink page for information on how accruals will be processed this year.
Click here (SSO required) to view the Concur accruals data. We are offering this special report because it joins the data from the Concur Expense Report and the Outstanding Card Charges report. We hope to offer this as a report in the BAH in the future.
