Announcements

Optimization of the Payment Request Form

We are excited to announce a major enhancement to the Payment Request form in Services & Support! Attaching a separate PDF form to each request is no longer required. Detailed questions will appear right on the Services & Support form based on the payment category selected and will walk you through the process (e.g. when Gifts & Awards is selected, information about annual limits will appear). Note that supporting documentation is still required and Blink links are provided for additional guidance.

With this enhancement we have taken advantage of Services & Support functionality to optimize the form's performance by making it more dynamic.

Stop by the [Procure-to-Pay Office Hours](#) Monday, Wednesday, or Friday to ask questions about the new form.

"Pending External Validation" Delay in Concur

We are working with Concur on Requests stuck in the "Pending External Validation" approval step. We hope to have this resolved within the next 48 hours. There will be no additional action required once resolved. Note that this will not impact Travel bookings. Thank you for your patience.
