Oracle Redwood Launch

We are excited to announce the Oracle Redwood Theme Launch. This launch is an opportunity to get familiar with the UI and how it will impact your current processes. We recommend you watch the demonstration and read the materials before you log in.

What is changing?
- The theme will be globally applied to all Concur applications.
- You will experience one theme for all Concur services.
- The Concur UI will reflect the Oracle theme changes.
- You may notice some improvements in the user experience.

What is not changing?
- The Concur application functionality and data integrity will remain the same.
- You will not experience any disruptions in the Concur services.

What are the benefits?
- The new theme will provide a modern and consistent user experience.
- The UI changes will be intuitive and easy to navigate.
- The theme will be more accessible to all users.

Training is available to help you prepare for the launch. We recommend you review the materials and participate in the training sessions.
