Oracle Redwood Launched

We are excited to announce the Oracle Redwood Theme launch. This launch is an enhancement as well as a redesign of the interface for the Concur Expense Management tool, which will result in a better experience for you and your Concur users.

**What is changing?**

- A different color palette, layout, font, and styling
- A cleaner, more intuitive interface
- Better navigation and usability enhancements

**What is not changing?**

- The functionality of the tool remains the same
- Data will not change
- No changes to the underlying database

Additional resources and training are available.
