Oracle Redwood Launch

Oracle is excited to announce the Oracle Redwood Theme launch. This launch is one committed at Oracle on a long-term plan to modernize the user interface across the suite of Cloud applications. It is an evolution to Oracle’s current user interface and provides a fresh modern UI.

With all the resources out there, it can be hard to determine exactly which will help you in your current situation. Review our new Travel & Expense and Procure-to-Pay Resources Blink page and find out more and sign up to receive our future emails.

Training & Support

Oracle Budget eCourses to support users along with weekly office hours throughout the entire budget development cycle. The 2022-23 campus budget cycle will begin this month with the opening of the Oracle Planning and Budgeting Cloud application. Please check with your Vice Chancellor area for verification that you are responsible for entering the budget for your area.

How do I submit a cost transfer request? Report ID vs. Request ID

When submitting a case via Services & Support, please ensure to provide the correct identification value (Example: 4ABC) whereas Report IDs are a longer alphanumeric value (Example: 67DFBD2DDC144D9DA7F1). Please do not provide a Request ID if you are asking a question about an expense report that you are trying to sign off or approve.
