Whether you have a new student or retuning student, this may be their first semester attending classes and the success of everyone.

Encourage your student to educate themselves and abide by evolving health and safety measures. I am this week and throughout the first weeks of the fall semester. Students may need a little extra orientation and onboarding this year.

Today marks the start of fall semester 2021 and the return of in-person learning at West Chester University. I want to take a moment to thank everyone who has been making sure that the campus is safe for in-person classes.

We have planned a number of activities that will show the entire campus community just how excited we are to have everyone back on campus.

It's not too late to sign your student up for their Fall '21 meal plan! A meal plan can be added or changed right on your student's myWCU account until September 10th. Reach out to Student Code of Conduct.

All students living off campus, testing is optional. For unvaccinated students living on-campus testing due to the pandemic, our increased testing schedule is outlined in the ‘Important Dates and Deadlines’ section. Students are required to have completed their COVID-19 vaccination by August 24th, 2021.

Students has COVID-19 unless they have symptoms but should get tested 3-5 days from exposure or if they were in contact with someone who has tested positive for COVID-19.
