### Oracle Procurement: Budget Review and Invoicing Support

**Tuesday, August 10, 2021 | 3:00 PM – 4:30 PM**

This training webinar will examine 3 key demonstration presented by a CFIA user. Session provides an overview of a new feature in Oracle Procurement that is now available to UCSD. Session will cover the “Invoicing Tolerances” tool which has been adapted as a new standard tool. Registration is required for this training webinar.

### Budget & Finance: Invoicing and Supplier Certification

**Thursday, August 5, 2021 | 9:00 AM – 11:00 AM**

This webinar provides an introduction to the use of Oracle Procurement & Payables. Participants will learn about basic concepts, such as purchase order values and invoice values, tracking invoices for payment purposes, and understanding invoice status. The course will be especially valuable for financial managers and departmental approvers who need to work with the procurement and finance teams on campus.

### Enhanced Features: Search by Description

You can now search your expenditure types by inputting your chosen description into the search bar in the Concur interface. This feature makes it easier to find specific expenditure types quickly and efficiently. The search results will be categorized by the associated eCourse to help users identify the most relevant options.

### Improvements to the Oracle Procurement: Payables UW

This training webinar consists of a 30-minute presentation followed by a Q&A session. Participants will learn about the updated features in Oracle Procurement and Payables, including improvements to the payment processing workflow and enhanced communication options. Registration is required for this training webinar.

### About the Weekly Digest

Each Tuesday, we curate important updates related to Budget & Finance, including Oracle Financials, Financial Management Services, and Concur. These updates encompass news from a variety of organizations, including University Procurement Card Program, common uses, and the Concur processes for both Procurement Card and POC. Please note that updates are subject to change, so it's important to stay informed.
