Supervisor Approvers
Departments have the option of adding the appropriate Supervisor Approver to the employee payee’s Concur profile in accordance with any of their internal/department policies. Before assigning Supervisor Approvers in Concur, please review what role a Supervisor Approver has within Concur. Information can be found in the [Concur Approvals Overview](#) page. Using a Supervisor Approver requires coordination and communication within a department in order to prevent any confusion or delays with Requests and Expense Reports. Please consult within your department before using this feature.
