What Can Replace All-In-One Solutions?

Redtail CEO Brian McLaughlin recently sat down with Vasyl Soloshchuk at *Financial Advisor Magazine* to discuss technologies Redtail has been adopting to streamline data updates across platforms. [You can check out the interview here.](#)

Redtail's AdvisorComms 2019 Survey

If you missed it in December, we posted a summary of our results from our AdvisorComms survey, which was designed to better understand how financial advisors and their staff are communicating with clients and prospects, and how these communication channels and content choices affect client engagement. [You can read that summary](#)

What's New in the CRM?

December updates included changes for non-database owners in terms of updating multi-factor authentication (MFA) settings, as well as updates and bug fixes in the Contact, Reporting, Seminar and Workflow areas of Redtail CRM. You can read more about those and our other recent updates to the CRM via our Release Notes [here.](#)
