In these uncertain times, it is normal to experience increased feelings of stress, anxiety, depression, and isolation. If a student is experiencing a life-threatening mental health emergency during business hours Monday – Friday between 1:00 - 3:00 pm, students should call the Counseling Center (610-436-2301) on the same day they are triaged. Students can also call the Counseling Center (610-436-2301) between 6am - 6pm on weekends and during holidays, so we encourage students to call earlier in the day to reserve their timeslot for that afternoon.

If your student is feeling sick, is symptomatic, and/or feels like they have been exposed, please have them use their local health department’s website for more information regarding guidelines. The Office of Parent and Family Relations is here to help. You can call us at (610) 436-3305, email us at parentrelations@wcupa.edu, or visit the Rammy’s Resource Navigator web page or by clicking the calendar image, which you can access through your MyWCU “Account Summary.”
