In these uncertain times, it is normal to experience increased feelings of stress, anxiety, depression, and other mental health concerns. As the university continues remote instruction in fall semester, the Counseling Center will be offering online counseling services to enrolled students. If a student is experiencing a life-threatening mental health emergency during business hours and they need to talk to someone immediately, please call the Counseling Center (610-436-2301) on the same day they are interested in scheduling a triage appointment. These appointments are on a first-come, first-served basis.

A once-in-a-lifetime spring semester has continued into a Thanksgiving Break (No Classes) - December 8 - 12. It is time to review your MyWCU “Account Summary” and check your financial aid status. To review your financial aid status, please visit the WCU Financial Aid Office website or by clicking the calendar grid. In order to ensure timely disbursement of financial aid, please have them use their local designated University form.

Chris Fiorentino, Ph.D.
