How to Resolve POETAF/COA Failed Validation Errors in Concur

Reminder:

This Thursday will be our last Thursdays, 11:00am - 12:00pm PPM Office Hours. We will resume planned content in the week of January 6. We will navigate the new Oracle Theme.

Availability in the Oracle Redwood Test Non-Production Environment*

Oracle Redwood is on its way to the testing environment! Be sure to try out the features and functionalities of the Oracle Redwood theme. To get a firsthand glimpse into the new Oracle theme, please register for the Oracle Redwood UI Information Session.

Oracle Redwood UI Information Session

Thursday, December 16 @ 10:30am - 11:00am

Register for the Oracle Redwood UI Information Session to get a firsthand glimpse into the new Oracle theme. Set to launch January 2022! To prepare for the Oracle Redwood January 2022 Launch, you can request access support by emailing financesupport@ucsd.edu with subject “Oracle Redwood issues during login, you can request access support.”

We recommend accessing the new Oracle theme from the Oracle Redwood UI Information Session. If you would like to see a live demonstration of the changes before the launch, please register via this link. You can request access support if you anticipate changes to the Oracle theme when you return from break. If you would like to see a live demonstration of the changes before the launch, please register via this link. 

Oracle Redwood Theme

Oracle Redwood is a UI change only, and does not impact how you perform tasks or functions within OFC Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense.Oracle Redwood

What is changing?

Oracle Redwood will be released to the Oracle Redwood Test Non-Production Environment* on January 6. Please review the preparation toolkit for instructions on how to access the Oracle Redwood Test Non-Production Environment*.
