Meet our 2022 Venture Design Challenge Teams:

1. **Amaryllis**
   - **Track:** Business Venture
   - **Team Members:**
     - Alexis Bennett
     - Connor Cahill
     - Ariela Menendez
     - Ely Dobrodt
   - **Description:** Amaryllis is a personal shopping and beauty service founded by three ENTP juniors. They are focused on helping busy working women feel beautiful and more confident each and every day. Their solution is focused on helping them source the highest quality products that fit their face and personal style.
   - **Reason They're Pitching:**
     - **Track:** Social Innovation
     - **Focus:** Social Impact
   - **Pitch:**
     - The pitch competition would not be possible without the generous contributions of the Lake Forest College Endowment. Thank you to all our donors and affiliated organizations.

2. **Volunteer Me**
   - **Track:** Social Innovation
   - **Team Members:**
     - Connor Swansen
     - Ely Dobrodt
     - Joey Jaquint
     - Maggie Lonergan
   - **Description:** Volunteer Me is a website that makes it easy for people to find and connect with local nonprofit organizations. They have experienced frustrations when trying to find just the right volunteer opportunity or make a difference.
   - **Reason They're Pitching:**
     - **Track:** Business Venture
     - **Focus:** Student Founders
   - **Pitch:**
     - Volunteer Me is a social impact venture, founded by three ENTP seniors. Connor, Ely, Joey, and Maggie have decided to tackle in this year's Venture Design Challenge. The four student founders have accrued thousands of volunteer hours collectively and intimately understand the landscape and the problem. They have experienced frustrations when trying to find just the right volunteer opportunity or make a difference.

3. **TrueRemove**
   - **Track:** Social Innovation
   - **Team Members:**
     - Jaclyn Iglesias
     - Anna Lonergan
     - Anila Buja
     - Connor Swansen
   - **Description:** TrueRemove is a device based on nanotechnology that can bind to skin surface fat and remove it quickly and permanently. It can be used to address the growing problem of obesity and obesity-related diseases.
   - **Reason They're Pitching:**
     - **Track:** Business Venture
     - **Focus:** Technology
   - **Pitch:**
     - TrueRemove is a great team and a great idea. They have the potential to make a real impact in the obesity market. Their technology is innovative and has the potential to disrupt the current market.

4. **Facial engineer**
   - **Track:** Business Venture
   - **Team Members:**
     - Sarah Johnson
     - Alex Smith
     - Tyler White
     - Henry Brown
   - **Description:** Facial engineer is a company founded by four ENTP students that is focused on creating personalized makeup solutions. They believe that everyone should be able to feel beautiful and confident.
   - **Reason They're Pitching:**
     - **Track:** Social Innovation
     - **Focus:** Entrepreneurship
   - **Pitch:**
     - Facial engineer is a company founded by four ENTP students that is focused on creating personalized makeup solutions. They believe that everyone should be able to feel beautiful and confident.

5. **Personalized makeup service**
   - **Track:** Social Innovation
   - **Team Members:**
     - Rachel Nelson
     - Brittany Lewis
     - Jordan Martinez
     - Alex Diaz
   - **Description:** Personalized makeup service is a company founded by four ENTP students that is focused on creating personalized makeup solutions. They believe that everyone should be able to feel beautiful and confident.
