The Support Framework: Your Guide to Finding Help

If a traveler takes no action, the name that appears on booked tickets will be the preferred name from UCPath.

Changes update in real time so there is no delay in making travel arrangements using the name that matches the traveler's legal ID.

Oracle Workflow Notification Updates Coming 08/29/2022

Over the past several months we have been working on updating the Oracle Workflow Notifications with more detailed notification descriptions in preparation for the release date.

How to enter information about a Project Task in the Budget System

When entering information about a Project Task in the Budget System, please make sure to select the relevant Expense Type and consider the following:

- If the expense is related to the Project Task, select the Expense Type that best represents the Project Task.
- If the expense is related to the Budget, select the Expense Type that best represents the Budget.
The Support Framework is designed to help the Budget & Finance community, including faculty or staff with financial responsibilities, identify their resources based on the following questions:

- What can I do on my own?
- Where can I get help?
- Who can help escalate?
- How do I suggest enhancements?
