On September 24th we are UNITED

Thank you for being a part of us on September 24th, 2019 at Denver’s Lake of the Woods for Bleeding Disorders Walk!

Together we continue to be the biggest and brightest fundraiser to help in the fight against all bleeding disorders.

We’d like to thank everyone involved. This would not have been possible without your support and preparation that makes our day so successful. Thank you for being a part of this special day. We look forward to seeing you next year!

With this in mind, I challenge you to help us top last year’s成绩 by raising a minimum of $100 per team member (through social media) and email us your pledge total once payment is complete.

The team or individual who raises the most will receive a prize package of “Unleashed Experience”. For more info please visit UNITEforBleeds.org.

If you have any questions, please email lakeofthewoods@cohemo.org.

Keep your feedback here

We want to hear your feedback so we can keep improving our logistics and content. Please fill this quick survey and let us know your thoughts. With your help we continue to make Camp Summer Dinners! on the FREE Community Outreach Clinics program better.

Leave your feedback here

We will also be hosting fun and interactive dinners on the 26th. You’re invited to join us and your kids (of all ages!) with a vivid imagination. Originally built as a private residence in 1936, the castle has come to be a place for visitors to experience history in a unique way. Emerging above the Bear Creek, and the architecture, on your way to the castle, that the kids will love, was Andrew D. Bierl, architect.

So if you’re traveling with youngsters, keep an eye out at the 3/4 mile mark. The Donkey Castle is in a real, especially for a family friendly hike. Here we are excited to bring you education brought to you by the Backpack + Bleeders Program with this family friendly hike September 14th at Lair O’ The Bear Park! Join us as we kickoff the 2019/2020 season!
