Craig Lockard, USA Special Olympics Athlete

One of our own is going to the Special Olympics World Games beginning June 5th, 2022 in Orlando, Florida. Craig Lockard is a 35-year-old athlete who has participated in Special Olympics since 2007.

He really likes Special Olympics as it has helped him make new friends, teaches respect for other athletes and coaches, and taught him to listen to the coaches. Craig will be competing in the 100 and 200 sprint and the long jump. [Read More](#)

A Note from Parent to Parent

Summer is upon us and I for one am happy for a more relaxed schedule, vacations and nice sunny weather. Check out our calendar of events for so many community events that are being offered. Summer is a good time to get your child's Washington State ID. It's important to get this before they turn 18 because it's a lot less paperwork before 18 than afterwards. Check out the Department of Licensing for details. Also, take a ride on the Valley Transit with your kids downtown. It is a fun adventure for the family. Our children as they grow into adults may ride the Valley Transit as their transportation so it is fun to

see what it is like. Valley Transit offers bus training as well to help with learning the routes and the stops your adult may use frequently. And lastly, I hope to see you all at the Memorial Pool on Friday mornings for adaptive swim.

Sincerely,
Angie and Ysabel
