Learn Together Faculty Mentor/Mentee Program

New faculty are invited to join our Faculty Mentoring program as Mentees. The program provides informal one-to-one mentoring with an experienced UTA faculty member along with some large group mentoring events.

Experienced faculty are invited to serve as Mentors to provide support/advice for new faculty as they progress toward success in research, teaching, and service at UTA.

Here's how you can be involved:

Mentee: If you are a faculty member in your **first or second year at UTA** and are interested in being paired with an experienced faculty Mentor, this program is for you.

***To join this program as a Mentee, click [HERE](#)**

Mentor: To be a Mentor you must be a tenured faculty member, or have at least three years as clinical/NTT faculty. Previous mentors are welcome to continue in the program with their currently assigned Mentees and can also apply to add a second new faculty Mentee.

Join us for Lunch and Conversation! Creating Online Learning Experiences Session 2: Effective Practices

With the current transition to Canvas at UTA, now is an excellent time to examine your online or blended courses – or to jump in if you have never taught online. We will look at how you can improve your course by instead focusing on effective practices while minimizing ineffective practices. This interactive session will be presented by Dr. Matthew Crosslin of our own CRTLE LINK Research Lab!

Wednesday, September 25
12:00 P.M. - 1:00 P.M.
Nedderman Hall 246
Lunch will be provided

CRTLE SPEAKER SERIES: Using Video to Humanize the Online Learning Experience

The creative and effective use of video is an essential way to enhance your online class. In this session, Dr. Whitney Kilgore will cover effective practices for creating video announcements, discussions, and feedback, including improving video production quality while using common tools and technologies. Participants will have the opportunity to create videos, share in a Canvas module, and set up captioning under universal design for learning principles.

Monday, September 30
12:00 P.M. - 2:00 P.M.
Nedderman Hall 246
Lunch will be provided

About the Center

The UTA Center for Research on Teaching and Learning Excellence (CRTLE) engages faculty, graduate teaching assistants, and community partners in research and innovative, high impact practices to enhance teaching and learning (AAC&U, 2008). The Center's mission embraces rigorous, evidence-based scholarship on teaching to promote students' high levels of reasoning and meaningful learning. The CRTLE brings together scholars from all UTA disciplines to work on initiatives that integrate pedagogically sound practices, digital and innovative technologies, community engagement, and professional development.
