

WALLA WALLA VALLEY
**Disability
Network**

July 2026 Newsletter

Your partnership and support of our programs, activities, and the families we serve—those who have a loved one with an intellectual or developmental disability—mean the world to us.

[Donate to Support WWVDN Programs](#)

Please Note: Due to summer construction at the Center for Children & Families, the location and times of all WWVDN program activities may change throughout the summer.

After you register for an activity, please watch for reminder text messages. These messages will come from (209) 233-6431 and are not spam. We will use text messages to provide the most up-to-date information about the date, time, and location of each event.

P2P Family Story: My Sister, Hope

"This is my story how I became a big sister at 2 years old. When my parents told me that I was going to be a big sister I was so happy, but had no idea she almost didn't make it home. She was born 2 months early and suffered brain damage due to a lack of oxygen. My parents named her Blenda, after our grandmother, but I couldn't say her name so we just called her Hope. We felt it was a much better fit." [Read More](#)

Note From Parent to Parent

Happy July!

Summer is in full swing, and we hope you and your family are finding time to enjoy the sunshine, make memories, and participate in activities that bring you joy.

June was filled with wonderful opportunities to connect, learn, and support one another. Thank you to everyone who joined us for our events and programs. We continue to be inspired by the strength, resilience, and kindness of the families in our community.

As summer schedules can be busy, we encourage you to take advantage of the resources available through Parent to Parent and Informing Families. If you have questions about services,

community resources, DDA, SSI, or simply need someone to talk with who understands your journey, we're here to help.

Thank you for being part of our Parent to Parent family. Your support, encouragement, and willingness to connect with others help make our community stronger every day.

We wish you a safe, fun, and relaxing July and look forward to seeing you at upcoming events!

Welcome Camden VanOcker, SOAR Director

"My name is Camden VanOcker and I am very excited to begin serving our local communities and families through the WWVDN! I have experience working as an Elementary and Middle School teacher with a Bachelors Degree in Elementary Education and a Masters Degree in Curriculum and Instruction." [Read More](#)

Please join us at the WWVDN Annual Meeting & Ice Cream Social on Tuesday, August 11 to honor outgoing SOAR Director Tash and thank her for creating and building our very successful social and recreation program.

Community Offerings

Free Swim Lessons at YMCA in July

YMCA has received grant funding to offer free inclusive swim lessons during the month of July. To register and receive lessons without a cost, you will need to call the YMCA front desk (509.525.8863) or register in person.

Step 1: Determine Which Class Your Child Should Attend From This List

Paso 1: Determine a qué clase debe asistir su hijo de esta lista

Please note: If a participant requires more individualized support than is typically provided in a group setting or is unable to independently wait for their turn and follow class activities or instruction, YMCA asks that a parent or caretaker join the registered participant in the water. In these cases, the instructor will continue to guide the swimmer's progress while the parent provides additional support as needed.

If you have questions, please contact Brad Sublett at YMCA, 509-525-8863 ext. 1031

Step 2: Browse class offerings here to see which dates/times you prefer before calling the YMCA to register

Paso 2: Consulta la oferta de clases para ver qué fechas y horarios prefieres antes de llamar a la YMCA para inscribirte.

Call YMCA Front Desk to register for your preferred class at 509-525-8863

Llame a la recepción de la YMCA para inscribirse en la clase de su preferencia al 509-525-8863.

Step 3: Turn in This Form to YMCA Before Lessons Start

Paso 3: Entregue este formulario a la YMCA antes de que comiencen las clases.

ICan Bike Camp

Monday, July 27 thru Friday, July 31

iCan Bike - Kennewick, WA

Entendemos que la gran mayoría de las personas con discapacidad nunca llegan a experimentar lo que es montar de forma independiente una bicicleta convencional de dos ruedas a lo largo de su vida. Las investigaciones indican que más del 80 % de las personas con autismo y el 90 % de las personas con síndrome de Down nunca viven esta experiencia. ¡Existimos precisamente para desafiar estas estadísticas!

Digital Inclusion & Assistive Learning

Digital Inclusion & Assistive Learning (DIAL)

Serving Walla Walla County and the Yakama Nation

What is DIAL?

DIAL will enhance opportunities in online education, employment, and community life for people with disabilities. The program's key activities include:

Assistive Technology: Providing devices and software such as screen readers, speech recognition software, hearing aids, and adaptive keyboards.

Digital Training: Conducting workshops and training sessions to improve digital skills and ensure effective use of technology.

Community Engagement: Collaborating with local organizations to promote digital inclusion and support community integration.

DIAL Program Steps

1. Assess each individual's eligibility
2. Order, deliver, and set up assistive technology
3. Train program participants to use assistive equipment
4. Educate participants through online digital literacy classes

"We understand the essential need for improving access to assistive technology for those with disabilities in our rural and tribal communities."

– Tom Gaulke, Entrust CEO
