A Note From Parent to Parent...

Ahhh Summer! A time to hopefully slow down and spend some quality time with the family going on vacation, enjoying live music, Farmers Markets etc. Memorial Pool has opened and the line is out the door to enjoy swimming with friends and family. There are many happenings in our network and the community to participate in. Check out our website for happenings in June and July. Adaptive Swim begins on Friday, June 23rd. Parks and Recreation has many different activities on their calendar as does the Walla Walla Public Library.

Staff of the Disability Network will be working throughout the summer around vacation time. Please reach out to us as we are happy to meet one on one with you to visit, help with resources or just provide a listening ear.

We look forward to seeing you out and about in our community.
