Fraternity and Sorority Life

Interested students are encouraged to check out each organization and see which one fits them best!

- For Fraternities, structured recruitment will occur the second week of classes, September 14-18. All men enrolled in a required course have not been completed.
- For Sororities, primary recruitment will occur the first week of school, September 9-12. Students will receive a hold on their WINGS account prior to registration if the required courses have not been completed.

Why join a Greek Organization?

- Membership in a fraternity or sorority is a lifelong commitment; relationships created during college last well beyond graduation.
- Membership in a fraternity or sorority is a lifelong commitment; relationships created during college last well beyond graduation.
- At their cores, Fraternities and Sororities are philanthropic organizations steeped in decades of projects, recruitment, and intramural events. You'll quickly become connected to the university and tapped into the available resources.
