

BENNETT FOOTBALL TEAM FINISHES STRONG A NEW GENERATION OF TIGERS GEAR UP FOR THE FUTURE

When the Tigers finished their season at New Era Field, it was with a 8-2 record for the year. They were the Class A champions for 2016. Bennett became the first team in WNY history to participate in three Section VI title games.

Principal Bert Stevenson and Coach Steve McDuffie report that Bennett had five team division picks and five second team division picks for the All-Western NY football team for 2015. Five more players received honorable mention.

It has been the mission of Dr. Stevenson and Coach McDuffie to connect students with college coaches from all around the country. The goal is to place all of the players on post-secondary teams where they can play football and continue their education.

As the new Bennett phases-in, a new generation of Bennett Tigers will take their place on all Buffalo Public Schools sports teams. The proud tradition of Tiger participation will live on.
