Haunts and Horrors at the Arboretum

The Haunted Arboretum has returned! After a spook-tastic showing last year, the Haunted Arboretum is back and ready to scare Lakers on October 14-15, from 7-10 p.m.

On these frightful nights, the entire Arboretum will be transformed into a monster-infested haunted forest designed to make you shudder at every turn.

If you and your friends are up for the challenge, stop by the Haunted Arboretum... if you dare!
