

Make Way For 2022!

Dear Friend,

It's truly a winter wonderland! We hope you are staying warm and cozy during this arctic blast. We are taking this opportunity to catch up on our desk work. We are especially busy onboarding new instructors to help us meet the growing demand for experiential, project-based learning.

As the new year unfolds, new adventures lie ahead for Wind & Oar Boat School, soon to be in our 11th year. We look forward to sharing them throughout the coming winter and spring and invite you to follow along.

We also take this time to reflect on the significance of your ongoing support. Please consider including us in your year end giving so that we can ensure the future of critical hands-on learning well into the future. **Your support is grately appreciated!**

Sincerely,

Peter L. Crim
