New UCPATH CORE Training Launching Soon!

UCPath **CORE** Training

Concepts, Overview, Responsibilities, Expectations

Launching February 2024

UC San Diego

The time has come! The new [UCPath CORE Training](#) is targeted to launch in **late February 2024**. The newly redesigned training will replace our existing UCPath Bootcamp and UCPath Funding Fundamentals training courses, providing a bold and fresh take on core UCPath concepts:

Current State: UCPath Bootcamp

- Information overload, too many topics covered at once
- Long, tedious, and time-consuming
- Difficult to update with the latest guidance

Future State: UCPath CORE Training

- High-level summary of important concepts separated by individual modules
- Shorter, easier to update
- Points to relevant complementary resources

The UCPath CORE Training was created to redefine UCPath **concepts** by providing a fresh **overview**, covering an employee's **roles** and **responsibilities**, and setting **expectations** of UCPath moving forward. [Read the full communication here!](#)
